DESCRIPTION

Completed in 2025, this custom-built masterpiece at 5510 Caladium delivers elevated luxury and thoughtful design in one of Dallas's most sought-after neighborhoods. With over 6,200 square feet, five bedrooms, and striking architectural detail, this home offers both grand entertaining spaces and intimate retreats. From the moment you enter, you are welcomed by soaring 22-foot ceilings, expansive natural light, and serene pool views. To the right of the entry, a formal living space with fireplace opens to an oversized study with floor-to-ceiling windows. To the left, a sitting area flows into the dramatic great room with 22-foot ceilings and seamless views of the dining and wine rooms. The chef's kitchen is the heart of the home, featuring a large island, Thermador and Wolf appliances, a Gaggenau espresso station, steam oven, pot filler, wine storage, and a walk-in pantry. Just off the kitchen is a spacious laundry with two stackable washer and dryer sets. The first floor features a luxurious primary suite with dual walk-in closets, spa-inspired bath, and private outdoor access to a putting green and yard. Another generously-sized downstairs bedroom suite is perfect for guests or intergenerational living. Upstairs, a lounge leads to the game room with built-ins, a wet bar, and a covered balcony with views of the pool. Entertaining options continue in the media room with Wolf microwave and Thor wine fridge. A powder bath and three additional bedrooms - one ensuite - complete the second floor. Step outside to a resort-style oasis with sparkling pool and spa, water features, covered outdoor kitchen with Hestan grill, pergola, and multiple seating areas. A three-car garage completes this exceptional property. 5510 Caladium is more than a home - it is a lifestyle, offering the perfect balance of sophistication, comfort, and resort-style living in the heart of Dallas.
