DESCRIPTION

Exceptional new construction by Cambium Custom Homes in the prestigious Oakbrook Hills of Keller. This timeless, traditionally inspired estate blends classic architecture with refined modern livability, showcasing extensive ceiling treatments, custom paneling, and elevated craftsmanship throughout. A grand entry gallery sets the tone with arched openings, detailed millwork, and designer ceiling accents that carry through the home. The expansive living areas feature soaring ceilings, groin and barrel vaults, architectural beams, and rich wall paneling, creating a warm yet sophisticated atmosphere. The chef's kitchen is thoughtfully designed with custom cabinetry, oversized island, professional-grade 48" range, walk-in pantry, and seamless connection to the dining and family rooms—ideal for both daily living and elegant entertaining. The private primary suite offers a true retreat with spa-style bath, soaking tub, oversized walk-in shower, and a generous boutique closet. A first-floor guest suite, private study, game room, and flexible living spaces provide functionality without compromising design. Indoor-outdoor living is elevated with a covered outdoor living and dining area, perfect for entertaining year-round. Additional highlights include a motor court, multiple garage bays, premium finishes throughout, and meticulous attention to proportion, symmetry, and detail. Located on a quiet lot in an established luxury enclave with access to top-rated Keller ISD, this home delivers enduring design, craftsmanship, and livability at the highest level.
