DESCRIPTION

Located in prestigious Hat Creek Estates, this fully renovated Bartonville estate offers a rare blend of privacy, design, and resort-style living on 2.85 beautifully landscaped acres with rolling berms and mature trees. Extensive, high-quality updates throughout deliver a level of finish and functionality rarely found in Argyle ISD. A welcoming front porch leads to dramatic double iron-and-glass entry doors and an interior where every detail has been intentionally curated. Highlights include a floating staircase, linear gas fireplace, custom designer lighting, and a light-filled open-concept layout ideal for both everyday living and entertaining. The chef's kitchen anchors the home with premium appliances, including a built-in Miele coffee system and steam oven, along with an expansive walk-in working pantry that balances form and function. Outdoor living is equally impressive. A custom Claffey heated diving pool and spa are framed by extended patios, lighted decks, built-in heaters, and a firepit, creating a true private retreat. Artificial turf surrounds the pool area and extends to a dedicated dog run. Entertaining is elevated with a built-in Yoder smoker and Evo flat-top grill, complemented by a whole-home audio system that flows seamlessly indoors and out. Lush professional landscaping is sustained by a full-property irrigation system supplied by a private well. Additional features include a private Par-3 golf hole, 50-amp RV plug, secondary upstairs laundry, and extensive whole-home audio. While the property is part of the Hat Creek Estates HOA, it predates the association and is grandfathered from current architectural and construction restrictions, providing exceptional flexibility for future improvements such as an ADU or guest residence (buyer to verify). Located within Argyle ISD and benefiting from comparatively low tax rates, this move-in-ready estate presents a rare opportunity in one of Bartonville's most sought-after communities.
