This custom, fully bricked home offers just over 3,000 square feet of thoughtfully designed space on a private lot with no homes on either side. The property neighbors the community equestrian center, offering resident access to stables, a hot walker, round pen, and arena, along with scenic riding trails throughout the neighborhood. Inside, the gourmet kitchen serves as the centerpiece, featuring granite countertops, a gas cooktop, built-in grill, large island with sink, and an oversized pantry. Additional upgrades include a whole-house water filtration system, central vacuum, and a versatile upstairs fourth bedroom or bonus room that can function as a media room, office, or flex space. Step outside to a private outdoor retreat complete with an outdoor kitchen featuring a stainless-steel sink, refrigerator, grill and flat-top, and a luxurious jacuzzi designed for relaxing after a long ride or hosting guests. The property is fully landscaped and welcomes you with a double-gated entrance and a custom steel horse head feature at the drive. Equestrian amenities include a 60x54 horse barn with a full-length covered concrete pad for shaded grooming and care, plus a separate well dedicated to barn use. Directly behind the barn is over three acres of fully fenced pasture. Pets are accommodated with a heated and air-conditioned pet house and chain-link run.
