## DESCRIPTION

Enjoy quiet luxury and convenient access to elite schools, upscale shopping and dining at this spacious 4,100 square-foot, 5-bedroom, 3.5-bath home on a 0.36-acre lot in prestigious Preston Hollow. This beautifully designed custom home by renowned Dallas builder Registry Homes blends clean traditional architectural lines with modern rustic elegance. The first floor features the primary suite with a vaulted ceiling and hand-decorated beams by an École du Louvre French artist laureate. The primary bath includes a jetted soaking tub, dual shower, separate vanities, and two walk-in closets. The living room has a beamed decorated ceiling that flows seamlessly into an elegant, large open kitchen. A formal dining room comfortably seating ten, an office, and a powder room are also located on the main floor. Upstairs, four bedrooms and two full bathrooms offer flexible options, including space for a media room, fitness area, or bonus room. Step outside to the backyard featuring a covered outdoor living area that includes fireplace, dining space, and outdoor TV. Added in 2022, a large heated pool with a raised stone circular spa, a putting green and manicured low maintenance landscaping bring the final touch to this beautiful outdoor retreat. An oversized two-car garage with built in cabinetry and a detached storage room complete the home. This residence truly embodies the best of Preston Hollow living. Buyer and buyer's agent to verify all information herein, including room measurements, schools, taxes, HOA, easements, and restrictions.
