DESCRIPTION

For buyers who really know PK, this is the location you waited for... quiet water, estate quality surroundings, and a private shoreline your family and guests will actually use. Nearly one acre with 255 ft lake front, mature grandfather oaks, irrigated lawn w lake pump, and a gentle walk to good depth under the dock. The cove provides safe, calm water for swimming and floating, while still offering lake views and quick access to marinas and dining. A long private drive and bordering woods create uncommon privacy. Custom built in 2019 as a full time residence, not a spec home. 3BR, 2.5BA with volume ceilings, tile floors throughout, expansive lake view windows, and a floorplan oriented to the lake from the moment you enter. Kitchen includes large island, quartz countertops, premium appliances, and extensive custom cabinetry. Oversized pantry doubles as a reinforced safe or storm room. Large utility room, exceptional storage, and thoughtful functional design throughout. Outdoor living is built for how PK is actually enjoyed... huge covered porch with outdoor kitchen and built-in grill, fire pit, porch swing, hot tub with remote access, and sunset exposure with prevailing summer breezes. Infrastructure matters here... Standing-seam metal roof, foam insulation, energy-recovery ventilation system, tankless propane water heater with recirculation, whole house Generac generator, and whole-house water treatment. Private boat ramp, covered boat slip with lift, stable pier, and upper party deck diving platform. Bonus 40ft x60 ft insulated metal building 2,400 sq ft with 14 x 14 door plus a glass lake facing garage door opening ideal for boat and RV storage, recreation, currently indoor pickleball, or workshop. A rare combination of protected water, usable land, private setting, quality construction, and long term livability. Plus income potential as a vacation rental... attributes difficult to find all together in one location on Possum Kingdom Lake.
