DESCRIPTION

Looking for a standout lake property? This Blackfoot peninsula home delivers big water views, generous space, and a layout built for hosting. Tucked near the end of one of Lake Kiowa's most desirable streets, the setting offers privacy and incredible scenery. The entry opens to a spacious living area with a wall of windows overlooking the lake, gas fireplace, and multiple seating options. The adjoining dining room flows into an oversized kitchen featuring double ovens, built-in refrigerator, wine fridge, ice maker, prep sink, and extensive cabinetry and counter space—ideal for entertaining. The main-level primary suite is a true retreat with lake views, gas fireplace, built-ins, room for a sitting area, and a large ensuite bath with jetted tub, dual vanities with seated makeup space, and an expansive walk-in closet with built-in dressers and cedar closet. The closet connects directly to the laundry room for convenience. A second primary suite downstairs is perfect for guests. Upstairs you'll find three additional oversized bedrooms, all with walk-in closets. One has a private bath, while the other two share a full bath with easy access to the upstairs living area or game room. Storage and hobby space are exceptional with an oversized three-car garage with half bath, plus a separate 17' x 21' golf cart garage and workshop. Outdoor living is just as impressive. A covered front porch connects to a wraparound deck leading to the back patio with fire pit, hot tub, and surround sound, and a path to the updated dock. The dock features Trex decking, boat lift, manual jet ski lift, storage closet, and a gazebo for shaded seating and lake views. Lake Kiowa is a gated lake and golf community featuring a private lake, an acclaimed 18-hole course and 9-hole par three course with unlimited golf for property owners, and resort-style amenities including beaches, parks, a restaurant, pro shop, and round-the-clock security.
