

6908 LAKESHORE DRIVE
DALLAS, TX 75214

\$2,699,000

4,006 sqft

4 beds

4 baths

DESCRIPTION

In the heart of Lakewood, this timeless 1930 Colonial seamlessly blends classic architecture with thoughtful modern updates, creating a warm yet sophisticated retreat. Extensively renovated in 2014, the home offers four bedrooms, three and a half baths, a private study, and a rare one-bedroom guest house—each space designed with comfort and versatility in mind. Inside, gleaming hardwood floors and gracious formal rooms set the stage for both elegant entertaining and everyday living. The inviting living room, anchored by a stunning fireplace, opens to an oversized covered patio overlooking the beautifully landscaped backyard—perfect for morning coffee or evening gatherings. The chef's kitchen is a true centerpiece, featuring a large island, dual sinks, a six-burner range with double ovens, and a charming banquette for casual dining. A butler's pantry with dual under-counter wine and beverage refrigerators adds convenience, while the adjacent study with custom built-ins provides flexible space for work or relaxation. Upstairs, the serene primary suite offers a private escape, complete with a walk-in closet and spa-inspired bath showcasing marble countertops, a soaking tub, and an oversized shower. The secondary bedrooms are generously sized, with one offering an en-suite bath and two sharing a well-appointed hall bath. The finished basement—expertly re-engineered to remain completely dry—provides additional living space, including a bonus desk or wrapping area ideal for hobbies or a quiet retreat. Outdoors, the manicured grounds lead to an updated oversized garage with washer-dryer hookups and a charming second-story guest house. The guest suite features a spacious living area, kitchenette, private bedroom, and a delightful balcony that captures the afternoon light. With its graceful curb appeal, preserved 1930s charm, and modern amenities, this Lakewood residence offers a rare opportunity to enjoy timeless style paired with everyday livability.
