## DESCRIPTION

One-of-a-kind European-inspired estate on 3.88 acres with beautiful hilltop views. Located at 108 Eisenhower Court, this custom-built home offers approximately 6,260 square feet of well-designed living space, combining classic charm with modern comfort. Tucked behind a driveway in a quiet cul-de-sac, the home provides both privacy and impressive scale. Inside, you'll find 6 spacious bedrooms and 9 bathrooms, along with a separate pool or guest house—ideal for family living or hosting guests. The main floor includes a striking entryway, both formal and casual living areas, a gourmet kitchen, and the option for a main-level primary suite along with an additional bedroom, office, or guest space. The interior finishes were carefully selected by a senior designer, featuring high-quality quartz countertops, decorative tiles, and high-end appliances that add both function and style throughout the home. Upstairs offers more private bedroom suites and flexible space that can be used as a media room, gym, or playroom. Large windows and glass doors fill the home with natural light and highlight the peaceful surroundings. The home's exterior showcases timeless European charm with white stucco, natural stone, and classic gabled rooflines. Two porte-cocheres—one at the main entrance and another leading to a separate building—add convenience and a sense of grandeur. A 4-car garage provides ample space for vehicles and storage. While full landscaping plans are still underway, the large lot offers plenty of room for outdoor living and future enhancements. There are glimpses of a pool area that hint at the potential for a private outdoor retreat.
