DESCRIPTION

Situated on an impressive 100-foot-wide lot and scheduled for completion in late spring, this exceptional single-story residence offers a seamless blend of timeless architecture and modern luxury. Crafted by renowned builder Olerio Homes and designed with clean, classic lines and an abundance of natural light, the home showcases premium fixtures and refined finishes throughout. The expansive floor plan features four spacious bedrooms, each with en suite baths, along with a private study, game room, and open-concept living spaces. The primary suite is a true retreat, complete with a private coffee bar, dual water closets, direct access to the utility room, and a spacious custom closet. The chef's kitchen is outfitted with Wolf and Sub-Zero appliances, an oversized island ideal for gathering, a dedicated prep kitchen, and a separate walk-in pantry for ample storage—perfect for hosting on any scale. Designed with entertaining in mind the glass sliders create an indoor-outdoor space with a covered patio featuring a fireplace and motorized screens, and overlooks the custom swimming pool and spa. Ideally located just minutes from premier shopping and dining at Inwood Village and Highland Park Village, and convenient access to the Dallas North Tollway and Love Field, this home offers both luxury and location in one extraordinary package.
