DESCRIPTION

Tucked away in Woodway's leafy White Oak Mountain neighborhood, this well rounded, single floor home affords ample space, alluring amenities, and is well priced given the stellar neighborhood appeal and abundant updates the home recently enjoyed. --- Showcasing a charming four bedroom, three bathroom layout across 2,925 square feet of space, all rooms are large, light filled, and well planned for fantastic flexibility serving a multitude of uses. --- Upon entering the home, the large, primary living room flanks the formal dining room which peeks through to the kitchen thanks to its practical buffet cabinetry. Behind the kitchen, a guest suite (or perhaps an office or a den, as used currently) is both private yet accessible. On the opposite side of the home, the lovely, spacious primary suite accommodates easy access to the sunroom, the back patio, and the pool. Two additional bedrooms flank a super private jack and jill bathroom (each side offering private water closets) at the front corner of the home. --- Outside, a sprawling, terraced yard is highlighted by a well kept swimming pool and glimpses of Lake Waco through the tree tops. Thanks to the terracing, the backyard is unusually private and peaceful despite the neighborhood setting. --- With attendance of Midway ISD, close convenience to nearly anything, and its numerous, stylish updates; there may not be a more interesting, better buy in all of Woodway ! Call or text today to schedule your private showing of this distinctive Woodway home which is likely to be that 'needle in the haystack' you've been searching for!
