## DESCRIPTION

A Rare Architectural Masterpiece in Prestigious Overton Park. Nestled at the secluded end of Autumn Drive, this architectural marvel is a once-in-a-lifetime opportunity for the discerning buyer with an appreciation for design and artistry. Created by renowned Fort Worth architect Larry Morton Gernsbacher, AIA—a protégé of Frank Lloyd Wright's Taliesin West—this mid-century modern masterpiece embodies geometric elegance, organic harmony, and timeless sophistication. Commissioned in 1957 by Leon and Fay Brachman, the 6-bedroom, 5-bathroom estate spans an impressive 6,387 square feet of intricately designed multi-level living space, accentuated by warm wood tones, custom stonework, and an abundance of built-in furnishings. Expansive walls of glass frame the lush canopy of mature trees, flooding the home with natural light while seamlessly blending indoor and outdoor living. The recently enhanced chef's kitchen is a work of art in itself, featuring sleek custom cabinetry, top-of-the-line appliances, and a panoramic northwest-facing wall of windows, offering breathtaking views of the manicured grounds. A striking central stone fireplace anchors the dramatic great room, an awe-inspiring space that exemplifies depth, dimension, and architectural ingenuity. Designed for elevated entertaining, this estate boasts an outdoor oasis with a sparkling pool, a private firepit lounge, perfect for hosting gatherings beneath the Texas sky. A hidden wet bar, elegant formal and casual dining areas, and expansive open-concept interiors further enhance the home's inviting yet sophisticated ambiance. Set on nearly an acre of pristine landscape, this estate offers unmatched privacy while being just minutes from upscale shopping, fine dining, and the vibrant cultural scene of Fort Worth. With its breathtaking design and seamless integration of nature and modern luxury, this home is a true architectural gem, awaiting its next curator to take it to the next level.
