DESCRIPTION

NEW IN THE RESORT AT EAGLE MOUNTAIN LAKE Situated on a premium .42-acre GOLF COURSE LOT, this stunning 3,297-square-foot ONE-STORY home, completed in 2023, offers luxury living with all the custom finishes today's buyers desire. Designed with an OPEN FLOOR PLAN, soaring 12-FOOT CEILINGS, and abundant natural light, the home feels spacious and welcoming from the moment you enter. The beautiful MODERN WHITE KITCHEN is the centerpiece of the home and features double dishwashers, double ovens, a gas cooktop, an oversized island, and a butler's pantry complete with a wine fridge—perfect for entertaining and everyday living. The thoughtfully designed layout includes 4 bedrooms, a dedicated office, and a versatile flex space currently used as a second office but ideal as a game room or 5th bedroom. Storage was a priority in the design with extra-large closets and strategically placed storage areas throughout, while custom roller shades on all windows and a whole-house water softener add both comfort and convenience. Step outside to your private backyard retreat featuring a gorgeous saltwater pool and spa, an outdoor fireplace, and a built-in grill, all overlooking expansive golf course views. Additional highlights include an extra-deep 4-car garage, an extra parking pad perfect for golf carts, fresh white exterior paint, and an impressive circular driveway. Located in a 24-hour guard-gated community for added privacy and security, HOA dues also include access to the neighborhood clubhouse with restaurant, resort-style pool, a pickleball court, exercise room, and a private boat ramp. Homes like this rarely become available—a true showpiece that lives and feels like a model home.
