DESCRIPTION

4 Wooded Lane, Allen, Texas is a rare private estate set nearly 500 feet back from the road on 1.47 acres, with forest along two sides—an extraordinary sense of space and privacy in an area known for much smaller lots. From the moment you enter, the home makes a striking impression with 14-foot ceilings, elegant crown molding, and a beautiful view of the two-sided fireplace that anchors the main living spaces.

Designed for both everyday living and memorable entertaining, the kitchen features a truly impressive 14x7 island, creating a natural gathering place at the heart of the home. The home offers 5 bedrooms, 5 bathrooms, a dedicated office, 3-car garage, and two upstairs bedrooms connected by a beautifully designed shared bath with separate vanities and a private bath-shower area. A dramatic Juliet balcony staircase adds even more architectural charm. The primary suite is a true retreat, featuring heated floors, his-and-hers 8-foot vanities, his-and-hers toilet closets, his-and-hers walk-in closets, a 9x4 two-headed walk-in shower, and an oversized soaking tub. Just off the suite, a chic she-shed offers the perfect space for reading, tea, coffee, or simply enjoying peaceful wooded views. Outdoor living is just as exceptional, with a circular drive, pool, spa-hot tub, expansive deck, and a climate-controlled wraparound sunroom that invites year-round enjoyment. Warm, expansive, and truly one of a kind, 4 Wooded Lane is a home that offers beauty, privacy, and a sense of legacy rarely found in Allen.
