The steel, stone, and white oak contemporary home features 4 bedrooms, 4 full baths, 2 half baths, all designed with elevated finishes. A dramatic glass and steel front door opens to a striking entry with a dramatic chandelier and white oak ceiling. The expansive living room has a floor-to-ceiling quartzite hearth and gas fireplace, creating a focal point for gatherings large and small. Refrigerated wine storage is a collector's dream. The chef's kitchen showcases Thermador appliances, quartz countertops, a breakfast nook, and a dedicated catering kitchen. A mudroom opens to the driveway, while an oversized laundry room provides extensive cabinetry and workspace. The split-bedroom layout ensures privacy. The primary suite is a spa-inspired retreat with private courtyard access, gas fireplace, steam shower, water room, marble tile, concrete soaking tub, beverage refrigerator, a custom double closet complete with stacked washer, dryer, and steamer. Secondary ensuite bedrooms include a guest suite with private bath and a bunk room sleeping 4-6, with toy storage concealed behind a custom bookcase. A dedicated office with fluted paneling hides a walk-in closet. Designed for recreation, the home features a media-game room with patio access and a wet bar highlighted by a dramatic backlit onyx bar top. An exercise room with half bath and a secure tornado shelter add convenience and peace of mind. The 4.5-car garage includes epoxy flooring and a custom car lift. Outdoor living rivals the interior with a covered patio, fireplace, and Coyote grill kitchen. With room for a future pool and frequent visits from deer and wild turkey, the setting feels both private and serene. Located in highly acclaimed Aledo ISD and minutes from Bluejack Ranch, residents enjoy luxury living and in a prime location.
