## DESCRIPTION

Exquisite custom home on over half an acre in the prestigious Manchester Downs neighborhood. Built in 2014, this 5,691 sq ft residence offers a refined blend of modern functionality and timeless design, featuring 4 spacious bedrooms, 6 full baths, and a powder bath. A separate 980 sq ft detached library with full bath provides ultimate flexibility for remote work and could easily be reworked as living quarters. Thoughtfully designed interiors include multiple living and dining areas, rich hardwood and marble flooring, detailed millwork, and curated lighting. The gourmet kitchen is outfitted with Sub-Zero, Wolf, and Bosch appliances, custom cabinetry, and a generous island suited for entertaining. The primary suite on the main floor offers privacy and luxury with spa-style amenities, while upstairs hosts three additional bedrooms and a gameroom or media space. Outdoor living is elevated with a covered patio, built-in grill, misting system, and a heated pool surrounded by lush landscaping. Recent upgrades include four new Trane HVAC units (2023–2025) and Control4 smart home automation. A circular drive, 3-car garage, and gated fencing complete the property's exceptional exterior features. Located near top private schools, shopping, and dining.
