Judge Fite Company

## 4128 DRUID LANE

UNIVERSITY PARK, TX 75205

\$2,295,000

4,093 sqft

5 beds

6 baths

## DESCRIPTION

Modern elegance and luxurious living come together in this beautifully designed SFA home with a thoughtful floor plan in coveted HPISD. Situated on Druid, a quiet one-way street near Highland Park High School, the location offers exceptional walkability while avoiding heavy through traffic. A light-filled entry and open floor plan welcome you with 6-inch white oak floors, abundant natural light, ample storage, and sophisticated designer finishes throughout. The chef's kitchen features a 48-inch Wolf range with six gas burners and double ovens, ventless Vent-A-Hood, Wolf microwave, Sub-Zero refrigerator and freezer, walk-in pantry, custom cabinetry, and quartz countertops. The open dining and living areas include a fireplace and Windsor sliding doors leading to outdoor living, creating an ideal setting for everyday living and entertaining. The first floor offers a flexible guest suite currently used as an office, complete with custom floating shelves and an ensuite bath with shower. The shelving can easily be reconfigured to create a walk-in closet, allowing the space to function comfortably as a guest bedroom. A striking floating staircase leads to the second level with two ensuite bedrooms and a luxurious primary suite featuring dual vanities, European fixtures, porcelain tile, oversized walk-in closet, and towel warmers for a spa-like retreat. The third floor features an ensuite bedroom and two versatile living spaces, currently used as a family room and game room, offering flexibility for media, play, fitness, or work. A large storage area off the game room extends into attic space, providing exceptional storage. Additional highlights include a two-car garage, fully encapsulated foam insulation, Jeld-Wen windows, and durable 2x6 construction. Enjoy walkability to Highland Park High School and the shops and restaurants along Lovers Lane, offering the perfect combination of luxury, comfort, storage, and location.
