DESCRIPTION

Fully reimagined and exquisitely finished, 6021 Northwood Road is a Preston Hollow jewel on a rare .405 acre homesite in the golden corridor. Mature trees and classic curb appeal frame painted brick and siding, stained wood garage doors, and twin French doors that open to a broad front porch. Inside, sunlight fills a connected plan designed for everyday living and entertaining. The chef kitchen shines with a waterfall quartz island, natural wood cabinetry, white shaker uppers, floating shelves, pendant lighting, and a brand new THOR appliance package with pro style range, vented hood, French door refrigerator, and integrated dishwasher, plus a pot filler and deep sink. Beautiful smaller plank herringbone floors and recessed lighting run through inviting living areas, including a cozy sitting room with fireplace and an expansive family room with custom built ins. Walls of windows and more French doors bring in leafy views throughout the day. The main level hosts three bedrooms and three and a half refreshed baths, highlighted by a serene primary suite with picture windows and room to lounge. A private fourth bedroom and fourth full bath sit above the garage, ideal for guests, office, or an au pair. Outside, the estate size lot delivers broad lawns beneath a mature canopy, an extended driveway for generous parking, and room to add a pool or future outdoor living. Set mid block on a prestigious, tree lined street, the home is minutes from top private schools, Preston Royal Village, NorthPark, and favorite Dallas dining. Move in ready and truly special, it pairs classic Dallas character with fresh modern luxury.
