DESCRIPTION

Introducing a one-of-kind Futuristic Palatial Estate inspired by the Blockbuster film Tron: Legacy created by Michael Shaun Jackson of Acquiesce. This awe-inspiring residence delivers sense of life in an alternate reality and an unparalleled feeling and blending of elegance with cutting-edge design. Italian porcelain floors run throughout the home with pops of color and darkness to perfectly contrast the white floors and museum finish walls. Murano Crystal Chandeliers and designer details adorn every room. Each space somehow outdoes the next: an extreme marvel of design owners suite; an 80's speakeasy with turquoise tufted walls; a sleek Ferrari home office; a dramatic flex space garage showroom; an outdoor modern oasis. Welcome to the most unique home on the market. Welcome to futuristic luxury, only at 5025 Wateka Drive
