DESCRIPTION

Elegant perfection in the private school corridor totally reimagined by Spruce Designs in 2024 featuring 5 bedrooms, 5.1 baths. Located on .368 acre w towering trees framing the entrance to this light filled home. A gracious entry leads to the living area that opens to the kitchen & dining affording views of the backyard. The 10 foot ceilings add to the open & airy feeling of the home. The focal point of the the living area is a floor to ceiling porcelain fireplace, while the eye is also drawn to the glass, lighted cabinets of the dining area. A second living area w built-ins could also become a formal dining room or playroom. It conveniently opens to the main living area but can also be closed to create a warm & inviting living space. An office is located off the entry allowing a quiet work area w views of the front yard. The kitchen features quartzite counters, an oversized island, double ovens, double dishwashers, gas cooktop w vent-a-hood, a farm sink plus an additional sink. An adjacent butler's pantry provides extra storage while a coffee bar has hidden access to the Primary Bedroom. The Primary Bedroom w a spa-like bath is a private retreat featuring 2 walk-in closets & a built-in desk. The split floor plan provides 3 additional bedrooms w ensuite baths & walk-in closets. Upstairs is complete quarters w a bedroom, bath, full kitchen & laundry. This is perfect space allowing privacy & comfort for guests. A laundry room, mud room & half bath complete the home. The backyard is a paradise for all ages. Entertain friends & family or enjoy a quiet night watching a movie in front of your outdoor fireplace. Prepare dinner w your outdoor kitchen & don't miss the pass-through from the kitchen window. Adults will love the putting green, children will love the playset & everyone will love the fairytale gazebo. A 2 car attached garage w extra storage & additional parking spaces behind the security gate make this a perfect home in perfect spot.
