DESCRIPTION

Located in the heart of Preston Hollow, 6007 Stefani Drive offers an exceptional combination of scale, layout, and livability across approximately 6,400 square feet. Thoughtfully designed for both everyday living and entertaining, the home features multiple living and dining spaces, creating flexibility for how today's buyers live. The first floor includes a spacious primary suite, dedicated office, and two additional en-suite bedrooms, along with two inviting living areas, two dining areas, an updated kitchen, and a versatile bonus room with a full bath—ideal for pool access, a playroom, or guest overflow. Upstairs, you'll find two more en-suite bedrooms, a large open bonus space with a wet bar, and a separate art studio or media room. Light-filled interiors and an airy feel carry throughout the home, while the backyard is designed for both relaxation and play. A covered patio overlooks the pool and a generous grassy yard, offering rare space to spread out. Situated on a corner lot, the home is uniquely positioned to provide a quiet, private indoor and outdoor experience—thoughtfully oriented so that both the interior and backyard feel remarkably peaceful. Complete with a three-car garage and a highly functional floor plan, this is a property that truly delivers on space, comfort, and versatility.
