DESCRIPTION

Experience the perfect blend of new construction and countryside living, where this thoughtfully designed modern home offers over 2,800 square feet of living space and rests on a full acre with room to live, relax, and grow. Featuring 4 spacious bedrooms and 2.5 beautifully designed bathrooms, this home combines thoughtful design with everyday functionality. Inside, you'll find an open-concept floor plan perfect for both relaxing and entertaining, highlighted by premium LVP flooring throughout for lasting beauty and durability. The heart of the home showcases gorgeous custom cabinetry, granite countertops, and a large kitchen island with seating—ideal for gathering with family and friends. A versatile office or flex space provides the perfect spot for remote work, hobbies, or a playroom. The primary suite is a true retreat, featuring a tray ceiling and a beautifully designed ensuite bath with a separate tub, tiled shower, and a highly functional layout that connects directly to the utility room through the closet. Ample storage is thoughtfully placed throughout the home to meet your everyday needs. Built with efficiency in mind, this home includes spray foam insulation, energy-efficient windows, a tankless water heater, and a buried propane tank—designed for comfort and cost savings year-round. Enjoy peaceful country living with the convenience of just a short drive to Waco. This is the perfect blend of modern living and wide-open space—ready to welcome you home!
