Located just blocks from TCU in the heart of Westcliff, this exceptional Bannister Homes custom build offers four bedrooms, three full bathrooms, two half baths, and a two-car garage with ample storage, encompassing approximately 3,500 square feet of total AC living space including a beautifully appointed pool house—delivering a refined blend of elevated design and resort-style living. Built in 2019, the home also features a private study, formal dining, and an upstairs game room. Inside, curated upgrades and intentional details define the space. Statement iron front and rear doors set the tone, while custom built-ins enhance the study and dining areas. A framed 500-bottle Wine Enthusiast display creates a focal point upon entry. The laundry room has been redesigned with a sink, granite countertops, and added cabinetry. The primary suite offers a private retreat with an oversized walk-in shower, elevated tile selections, and a custom closet system. A screened-in patio extends the living space outdoors, creating a comfortable setting for year-round enjoyment. Beyond, the backyard transforms into a true private oasis. Designed by Extreme Outdoors, the resort-style saltwater pool showcases an expansive sun shelf and illuminated deck jets—ideal for entertaining or relaxing in a setting that feels like a private resort. The approximately 500-square-foot pool house features glass accordion doors and windows, seamlessly blending indoor and outdoor living. Complete with a DCS grill and vent hood, refrigerator, bar seating, TV, surround sound, a bathroom plumbed for a future shower, storage, and an outdoor shower, the space is designed for effortless hosting. Additional highlights include integrated Klipsch surround sound, a full Ring security system, a whole-home Generac generator, and professionally designed landscaping that enhances privacy and curb appeal.
