DESCRIPTION

Stunning, magazine-worthy Lake Weatherford retreat. Designed for those who crave beauty, notice light, and understand that where you live shapes how you live, this is more than a home...it's the lifestyle that comes with it. Set along the water's edge, this rare 3-bedroom, 3.5-bath estate unfolds like a curated work of art. Every line is intentional. Every space tells a story. Every detail has been thoughtfully composed to create a living experience that is as inspiring as it is grounding. From the moment you step inside, you're drawn into a seamless dialogue between architecture and nature. Spanning three levels, walls of glass invite the lake in, capturing ever-changing reflections of the sky and water, from soft, golden mornings to dramatic sunset evenings that stretch endlessly across the horizon. Layered textures and refined finishes, natural surfaces, striking black-and-white tile, and thoughtfully curated open shelving, create a sense of depth and quiet luxury. It's a home that awakens your senses while offering a profound sense of calm. Outdoors, beautiful mature trees frame your view of the lake and beyond to the distant hills, offering shade, privacy, and a tranquil backdrop. Imagine mornings spent with coffee on the terrace, afternoons drifting on the water, and evenings gathered under the canopy of stars, every moment elevated by the peace and beauty of the setting. What makes this property extraordinary is not just its design, but its balance, a lakeside sanctuary that feels worlds away, yet is only minutes from shopping, dining, and the vibrancy of the city. It is a home to escape to, a home to be inspired by, a home to live fully in.
