DESCRIPTION

Located on a quiet cul-de-sac in the heart of Lakewood, this fully rebuilt East Dallas home offers an exceptional blend of luxury, privacy, and everyday livability. Taken to the studs and reimaged in 2020-21, it stands out among Lakewood homes for sale with thoughtful design and high-end finishes throughout. Inside, you'll find hardwood floors, custom built-ins, and designer details, including Visual Comfort lighting and Walker Zanger tile in the baths. The kitchen is both beautiful and highly functional, anchored by a Taj Mahal quartzite waterfall island, top-of-the-line Thermador appliances, and double dishwashers, making it ideal for both daily living and entertaining. The primary suite is a true retreat with its own private patio, a marble-clad bathroom, and a spacious custom closet. The outdoor spaces are just as impressive, featuring a large covered patio with heaters and fans, a full masonry fireplace, outdoor kitchen, pool, and low-maintenance turf designed for year-round enjoyment. Backing to a heavily wooded greenbelt, the setting feels peaceful and private while still being minutes from White Rock Lake, Lakewood Elementary, and downtown Dallas. With spray foam insulation, abundant storage, and a 4-car garage, this is a rare opportunity to own a truly turnkey home in one of East Dallas' most sought-after neighborhoods.
