DESCRIPTION

Custom built Hill Country style home nestled on a spacious 0.368 acre lot in a quiet cul-de-sac in Royal Crest near Preston & Royal. Blending timeless architecture with modern comfort, this residence showcases warm tones, rich natural woodwork, hardwood floors and striking exposed beams, all enhanced by abundant natural light throughout. Designed for both everyday living and effortless entertaining, the home offers five expansive living areas, providing flexibility for gatherings and relaxation. The thoughtfully designed floor plan features defined living spaces that seamlessly connect and bring the outdoors in throughout the home. The living room offers two walls of French doors - opening to the front of the home to showcase the covered front porch with motorized retractable screens, and opening to the rear of the home to reveal the expansive covered patio and backyard oasis. The chef's kitchen features a large island and professional style appliances including a Thermador gas cooktop and double ovens and a built-in glass front Sub Zero refrigerator and freezer and a large walk-in pantry. The primary suite is situated on the first level and offers an ensuite bath and a custom walk-in closet designed by Closets By Design. The second level features four bedrooms, a family room and a game room. The third level bonus space makes a wonderful home office or gym. Step outside to the private backyard, perfect for year-round enjoyment. A covered patio with built-in heaters and fans, an in-ground pool, an outdoor fireplace, and a cabana with bar, pool bath with shower and walk-in storage room complete the backyard. Additional highlights include a gated rear entry three car garage, a home generator and a dog run. This home combines refined Hill Country elegance with convenience to top dining, schools, shopping and amenities.
