

5000 W HANOVER AVENUE
DALLAS, TX 75209

\$3,198,000

5,016 sqft

4 beds

5 baths

DESCRIPTION

Totally reimagined and masterfully redesigned by Bernbaum Magadini Architects, with exceptional construction by Randy Clowdus, this remarkable residence offers a rare blend of architectural sophistication, modern systems, and timeless luxury. Thoughtfully upgraded with incredible finishes, bespoke details, and exquisite millwork cabinetry throughout. Designed for both grand entertaining and intimate living, the expansive living and dining areas feature a striking marble wet bar and seamlessly open to a covered terrace overlooking the beautifully manicured garden with trees and tranquil water feature. The designer kitchen showcases top-tier appliances, custom cabinetry, and an elegant built-in breakfast banquet. A private downstairs primary suite provides a serene retreat, complemented by a refined study that also opens to the terrace and gardens. A dedicated upstairs media room enhances the home's lifestyle appeal. Situated on a desirable corner lot, the property offers exceptional privacy and security, including camera surveillance, upgraded systems, generator, air purification, and humidification. Additional highlights include art lighting, custom draperies and shades, abundant storage, and beautifully curated outdoor living spaces. A rare opportunity to own a meticulously redesigned home where architecture meets modern luxury living!
