DESCRIPTION

A fully renovated, striking, contemporary residence just blocks from White Rock Lake and highly desirable Hexter Elementary. This fully renovated 5-bedroom, 4 full and 2 half bath home offers 4,506 square feet of thoughtfully designed living space with exceptional natural light, soaring ceilings, and refined modern finishes. The home features three expansive living areas in an open and airy feel. The kitchen is designed for both function and style, featuring granite countertops, custom cabinetry and tile backsplash, and new smart stainless steel appliances. A pass-through countertop breakfast bar opens to the multi-level living and dining areas. Highlights: 2 large walk-out balconies, covered patio, and primary bedroom deck; oversized two car garage, and circular front drive; red oak hardwood floors throughout; Brazilian teak soffit; floating vanities; large laundry pantry with sink; and built-in closets. A rare opportunity to own a custom modern home in a premier location.
