DESCRIPTION

Thoughtful updates and a versatile layout come together in this well-appointed home, zoned to the highly sought-after Overton Park Elementary. Multiple living areas allow the floor plan to function as a 4 bedroom, 3 bath home, or as a 3 bedroom with an additional living space, office, or media room, offering flexibility to fit a variety of needs. The recently updated kitchen features a clean, understated design with ample prep space and easy flow into the surrounding living and dining areas, making it well suited for both everyday living and entertaining. Throughout the home, natural light, hardwood floors, and consistent finishes create a cohesive feel. All bathrooms have been updated, and the HVAC system was replaced within the last year. The backyard is designed for both daily enjoyment and entertaining, with a large pool, covered patio, and built-in grill area, while still offering plenty of usable yard space, covered parking, and additional storage. Convenient access to The Shops at Clearfork, Foster Park, and a wide range of Fort Worth shopping, dining, and entertainment further adds to the appeal. With a flexible layout, meaningful updates, and inviting outdoor spaces, this home offers a thoughtful balance of function, quality, and location.
