## DESCRIPTION

Updated two story home situated on a spacious .72 acre cul-de-sac lot, surrounded by mature trees and thoughtfully designed for comfort and functionality. The open floor plan features living room with views of the backyard, a private office, and a cozy family room with a fireplace. The main level includes a primary suite and a guest suite, making everyday living both convenient and practical. A downstairs guest bedroom features its own private entrance and en-suite bath. The primary features marble countertops, an oversized shower, soaking tub, and a custom designer walk-in closet. The kitchen has been recently updated with custom cabinetry, Wolf range, and built-in appliances. Bar area off the kitchen overlooking the counters has a second full size refrigerator and wine fridge- perfect for entertaining while overlooking the pool and oversized backyard. Upstairs offers three more bedrooms with two full baths, a spacious game room, and a dedicated media room providing plenty of space for family. Additional highlights include a three car garage with a porte-cochere.
