DESCRIPTION

Looking for that perfect ten in West Plano? This isn't just a house; it's a total mood. Tucked away on a massive, private cul-de-sac lot, this home has been luxuriously transformed from top to bottom with the kind of craftsmanship you usually only see in custom builds. The heart of the home is a chef's dream kitchen, featuring a Thermador induction cooktop, KitchenAid warming drawer, and an oversized granite island that's perfect for hosting. The primary suite is pure spa vibes, boasting a Victoria and Albert clawfoot tub and a massive walk-in shower with a cedar closet, while the media room—complete with a serving bar and blackout shades—is ready for movie night. Tech enthusiasts will love the hard-wired Cat7 networking and the fact that the entire backyard oasis is smartphone-controlled. Speaking of the backyard, get ready for resort-style living with a saltwater pool, slide, and a separate therapy spa. The stone outdoor kitchen is next level, equipped with grill and even a pizza oven for the ultimate Friday night hangout. With fresh paint, flooring, extensive moldings, trim-work, built-ins, lit art niches and designer finishes throughout, this West Plano gem is truly a not-to-be-missed masterpiece!
