DESCRIPTION

Experience the perfect blend of comfort, privacy, & breathtaking natural beauty with this stunning 4-bedroom, 2.5-bath, 1.5-story home nestled on just under 30 picturesque acres. Surrounded by lush, rolling hills, mature trees, & abundant wildlife, this property offers peaceful views in every direction. Inside, the open floor plan is designed to capture the scenery with oversized windows throughout. The spacious kitchen features granite countertops, an electric cooktop & oven, built-in microwave, & a cozy breakfast nook. A large dining area provides the perfect setting for gatherings, all while enjoying serene outdoor views. The inviting living space is anchored by a charming wood-burning fireplace. The private primary suite offers its own scenic outlook and includes an ensuite bath with a relaxing garden tub, walk-in shower, & generous walk-in closet. A split floor plan provides added privacy, while the upstairs loft offers flex space ideal for a playroom, reading nook, storage, or a potential 5th bedroom! Step outside to discover exceptional amenities, including a 760 sq ft bunkhouse equipped with an overhead projector, screen, & surround sound system. A large garage door creates a seamless indoor-outdoor experience, perfect for entertaining or additional parking. The property also features a versatile 36x36 shop barn with electric, dual garage doors, & a slab foundation on one side, while the other half includes three dirt-floor stalls & a covered front porch. A large metal building provides additional storage or hay barn space. With two wells (approx. 250ft deep each), an aerobic septic system, & paid-off solar panels with battery storage, this property is both functional & energy-efficient. Enjoy remarkably low electric bills ranging from \$18–\$50 per month, with app-controlled energy management for added convenience and peace of mind during outages. This is country living at its finest—private, scenic, & fully equipped for modern comfort.
