DESCRIPTION

Taken to the foundation and reimagined in 2021, this stunning home offers modern design, functional luxury, and an unbeatable layout. Situated on a spacious 0.40-acre lot, this property features an open floor plan perfect for entertaining both indoors and outdoors. The main level showcases a light-filled living space with a seamless flow between the open-concept kitchen featuring SubZero and Wolf appliances and quartzite countertops, living room, dining area with a wall of windows, and an inviting family room. A private home office overlooking the front yard provides the ideal work-from-home setup. The beautiful primary suite is a true retreat, complete with a spa-like ensuite bath and a large walk-in closet. A split secondary bedroom downstairs also features its own ensuite bath and walk-in closet—perfect for guests or multigenerational living. Upstairs, you'll find two additional bedrooms with ensuite baths, a spacious game room, and a large workout or flex room to suit your lifestyle. Step outside to your backyard oasis with low-maintenance turf, a sparkling pool, covered outdoor living area, and mature trees offering both shade and privacy. Additional highlights include a 3-car garage and a prime location close to top-rated private schools, restaurants, shopping, and major highways. This move-in-ready home truly has it all—modern updates, flexible living spaces, and exceptional indoor-outdoor living.
