DESCRIPTION

Featured on a 1 acre homesite. This floorplan begins at the front porch and an extended entry, opening to a home office with French doors and formal dining room. Continuing into the kitchen, the home features a prep kitchen, butler's pantry, and morning area. The two-story family room offers a fireplace and sliding glass doors providing access to the two-story backyard patio. A game room with French doors at the rear of the home. The floor plan places the primary suite on the first floor with a private primary bath with a freestanding tub, a glass enclosed shower, and two walk-in closets. Upstairs, the home plan features a theatre room, three secondary bedrooms, and three secondary full bathrooms, creating flexible living and entertainment space. This home plan includes a utility room, mud room, and a three-car garage.
