Come explore this one-of-a-kind home located on sought after Willomet Ave which runs through the heart of the Winnetka Heights Historic District, one of Dallas' oldest and most beloved historic neighborhoods — and home to this extraordinary 1925 Craftsman, completely renovated in 2025. Every inch has been thoughtfully reimagined to capture the soul of a bygone era while offering the ease, luxury, and comfort of modern living. Developed in the early 1900s by the Russell Realty Company, Winnetka Heights was one of Dallas' first premier suburbs — a showcase of timeless Craftsman architecture, wide tree-lined streets, and beautifully detailed homes that once drew some of the city's most influential residents. More than a century later, that charm endures. Step inside and feel the warmth of open, sunlit spaces and elevated finishes that perfectly balance historic character with modern design. Outside, enjoy your private backyard oasis and a community that still celebrates connection — from porch parties and neighborhood block events to holiday contests and seasonal gatherings that make every street feel alive with tradition and togetherness. Just minutes away, you'll find the future Kevin Sloan Park, the vibrant energy of Jefferson Avenue, and the Bishop Arts District — offering some of Dallas' best dining, shopping, and local culture, all within reach. Downtown Dallas is only a quick drive away, giving you the best of city life while coming home to peace and charm. This home isn't just renovated — it's reborn. A timeless blend of past and present, ready for someone who values beauty, community, modern comforts, history, and convenient access to downtown.
