DESCRIPTION

Nestled on just over 5 beautifully manicured acres dotted with trees and a tank, this stunning 3-bedroom, could be 4 or more bedrooms, home offers everything you've ever dreamed of in peaceful country living. Step inside to a spacious open-concept layout featuring expansive living, dining, and kitchen areas adorned with gorgeous wood-look tile throughout. The living room showcases a unique fireplace design complemented by a stylish wet bar with sink. The kitchen is truly the heart of the home, boasting an enormous wraparound granite countertop, abundant cabinetry, and a massive walk-in pantry. The split primary suite offers privacy and comfort, complete with a luxurious spa-like bathroom featuring a separate walk-in shower, soaking tub, and an oversized walk-in closet. Outside, the property continues to impress with a massive workshop featuring an overhead door for easy drive-in access. There's also a large covered RV parking area equipped with electricity and water, plus an additional covered parking space ideal for vehicles, boats, or recreational equipment. This exceptional property combines comfort, functionality, and serene country charm, a true oasis you won't want to miss.
