Vaulted ceilings and intentional design define this Hawthorne II by Bloomfield Homes in the Somerset community, offering 4 bedrooms and 3 baths in a two-story layout. From the moment you enter, the home feels elevated and inviting. A private study sits at the front of the home, enclosed with glass French doors and enhanced by a bright bay window that fills the space with natural light—ideal for a home office or hobbies. Wood-look tile runs throughout the common areas, creating a seamless, durable foundation that complements the open design.
