DESCRIPTION

The wait is over. 6471 Trammel is now fully completed, move-in ready, and newly improved in price making it the strongest opportunity for new construction with a pool in the neighborhood. Step directly into a finished masterpiece. Blending Mediterranean architecture with relaxed, Tulum-inspired interiors, this home offers a resort-caliber experience just moments from White Rock Lake and Lakewood. Massive sliding glass doors open entirely to a private, low-maintenance backyard featuring a heated pool, tanning ledge, and a covered outdoor kitchen. Fully turfed landscaping ensures the grounds look pristine year-round with zero effort. The chef's kitchen is built to impress, featuring a massive black leathered island and striking Mykonos quartzite countertops. The elite appliance package includes a panel-ready Sub-Zero refrigerator, Wolf gas range with 6 burners and a griddle, a built-in Wolf microwave, and a panel-ready Cove dishwasher. The interior is further elevated by Taj Mahal quartzite accents, wide-plank white oak floors, herringbone tile details, and architectural LED lighting. A floating LED-lit staircase and a custom electric fireplace create a cohesive design story that speaks to quality at every turn. The primary suite serves as a private sanctuary, complete with a spa-like bath, travertine soaking tub, walk-in shower, and LED mirror lighting. Additional living spaces including a media room, dual laundry rooms upstairs and down, and full smart-home integration to ensure the home is as functional as it is beautiful. Priced sharply to align with the market, this is a rare chance to secure a flawless, completed home without compromise.
