DESCRIPTION

If you've been looking for space, charm, and a place that truly feels like home, this 4 bedroom, 3 bath beauty on a full 1 acre corner lot checks all the boxes. From the moment you walk in, you'll notice the warm and cozy feel, with large picture windows letting in tons of natural light. The open concept layout makes it easy to gather and stay connected. The dining area stands out with its stone column and brick accent wall, adding just the right touch of character. The living room is the heart of the home, featuring a stone wood burning fireplace, built in cabinets, and wood beam accents on the ceiling that bring warmth and personality to the space. The kitchen is made for hosting. Granite countertops, a large island with breakfast bar, and a peninsula that doubles as the perfect buffet space make entertaining easy. You'll also love the double ovens, built in spice drawers, and the oversized walk in butler's pantry that keeps everything organized and out of sight. The primary suite feels like a true retreat with a massive ensuite bath that includes a soaking tub, double shower, large vanity with dual sinks and a built in desk, plus a custom walk in closet with plenty of room for everything. The fourth bedroom features French doors, making it a great flex space for a home office, playroom, or guest room. And don't miss the huge workshop out back. It has electricity, AC, a full bath, and even loft storage, giving you space for hobbies, projects, or the ultimate workspace. Foam insulation in the house and the workshop!! With room to spread out inside and out, this home offers comfort, character, and flexibility all in one.
