DESCRIPTION

Looking for space, views, and a place to truly unwind? This 8+ acre property with panoramic mountain views delivers the perfect blend of comfort, style, and peaceful country living. Step inside and you are welcomed by a warm, open concept layout filled with character, from the brick accent walls and barn doors to a stunning wall of picture windows that bring the outdoors in. The living area features soaring vaulted ceilings with beautiful wood beams and a floor to ceiling gas fireplace, flanked by built ins that add both charm and function. The kitchen is designed for both everyday living and entertaining, with double ovens, a sleek cooktop with pot filler, a built in desk space, and an oversized pantry you will love. There is plenty of seating with a breakfast bar and a spacious dining area perfect for hosting family and friends. The primary suite is a true retreat, complete with vaulted ceilings and a spa like bath featuring a soaking tub, a gorgeous walk in shower with cedar ceiling, and a custom walk in closet. The guest bedrooms are generously sized with walk in closets, and the third and fourth bedrooms share a convenient Jack and Jill bath. Plantation shutters and thoughtful touches like motion sensor closet lighting add extra comfort throughout. Built with foam insulation for added energy efficiency and comfort year round, this home is as practical as it is beautiful. There is no shortage of space to relax and have fun with a huge game room, plus a covered patio with its own fireplace, perfect for enjoying those peaceful country evenings. The insulated 38 by 26 shop with electricity gives you plenty of room for projects, storage, or hobbies. With 8 acres to spread out, there is plenty of space to create your own outdoor paradise, whether that means adding a pool, bringing animals, or just enjoying the quiet surroundings.
