DESCRIPTION

Set on 20.3 mostly cleared acres, this one-owner home built in 2025 offers modern style, quality construction, and room to spread out. The property is ready for country living with brand-new fencing for livestock pastures, making it ideal for animals, hobbies, or simply enjoying wide-open space. Built with durability and efficiency in mind, the home features 2x6 framing, spray foam insulation, double-pane Anderson windows, full gutters, coach lighting, septic, a 250-gallon propane tank, and a tankless water heater. The 4-car garage has insulated doors and plenty of space for a workbench or additional storage, and a two-truck Safeguard carport provides extra covered parking. Inside, porcelain tile runs throughout the home for a clean look and easy maintenance. The kitchen is designed for both everyday living and entertaining with KitchenAid stainless microwave and oven, a 6-burner propane cooktop with pot filler and glass backsplash, granite countertops, Diamond-grade cabinets with soft-close hinges, a walk-in pantry, and pendant lighting. The living room is a welcoming gathering space featuring a freestanding Vogelzang wood-burning fireplace. Just off the dining area, the office offers large picture windows and custom remote shades, creating a bright and comfortable workspace. The primary suite provides a relaxing retreat with granite counters, Diamond-grade cabinetry, and modern finishes. The spacious walk-in shower with multiple sprayers and large walk-in closet add both comfort and convenience. With quality construction, thoughtful features, and acreage ready for livestock, this property offers a great combination of modern comfort and country living.
