DESCRIPTION

Meticulously renovated with custom, high-end finishes and a clean, timeless aesthetic, this home offers the perfect blend of style and functionality. The open-concept floor plan is ideal for both entertaining and everyday living, filled with abundant natural light. The chef's kitchen is a standout, featuring a 36-inch gas range, quartz countertops, and an oversized island. A cozy nook with a custom banquette provides the perfect space for casual dining. Upstairs, a versatile game room or potential second primary suite overlooks a stunning 40-foot covered patio and oversized backyard. With thoughtful improvements, this home offers peace of mind and modern convenience. Major system upgrades include a replaced downstairs HVAC unit (2021), new gas line in the backyard (2025), and updated water and drain lines under the Jack-and-Jill bath (2022 & 2025). Interior enhancements include refinished hardwood floors and full interior paint, including cabinetry (2026), added laundry room cabinetry and outlets, ceiling fans in all bedrooms, and additional outlets for TV installations indoors and out. Smart home features include a Nest thermostat, Ring security system with cameras, and door chimes. Additional improvements include chimney repair, updated upstairs window coverings, and a fully refreshed landscape with reconfigured beds, new sod, gravel, and an upgraded sprinkler system (2026).
