DESCRIPTION

Tucked away on nearly an acre at 1606 Treehouse Lane North, this inviting retreat offers privacy, space, and a peaceful escape from the hustle and bustle. An expansive front porch sets the tone, welcoming you into a home designed for both everyday living and entertaining. Inside, the heart of the home unfolds with a spacious dining room, updated kitchen, comfortable living room, and a dedicated home office—perfect for today's flexible lifestyles. The primary suite is thoughtfully positioned halfway up the stairs and features abundant storage and a beautifully updated bathroom with brand-new tile flooring, tiled shower and bathtub surround, updated counters, and fresh paint. Upstairs, you'll find three additional bedrooms—one with its own en suite bath, while the other two share a well-appointed bathroom. The true showstopper is the basement—yes, a basement in Texas! A rare find in Texas, the basement offers approximately 1,100 square feet of additional versatile space with its own private entrance. Perfect as a creative hub or multi-generational living area, it is currently utilized as a home office and includes a soundproof room ideal for a podcast studio, along with space for a gym, game room, or additional living quarters. Step outside into your own private oasis, where natural beauty and thoughtful design come together effortlessly. The backyard is a true summer showpiece, featuring a sparkling pool and expansive deck—perfect for lively gatherings or peaceful evenings under the stars. Whether hosting guests or unwinding in total serenity, this outdoor retreat is designed for unforgettable moments. A rare offering that seamlessly blends space, versatility, and tranquility into one exceptional place to call home. ***Tax records show this home has 4,415 square feet. The gross living area of this house measured to be 3,290 square feet. The basement measured an additional 1,125 square feet.**
