DESCRIPTION

With exceptional curb appeal and inviting covered front porch, this beautifully designed home blends charm, abundant storage, and ideal entertaining spaces make this home truly stand out. The covered back patio with fireplace, built in heaters and remote-control screen create ambiance overlooks the heated pool, with 15-foot holly trees creating private backyard retreat. Inside, nailed red oak floors, rich wood beams, and custom built-ins add warmth and sophistication. The open-concept living room, anchored by a fireplace flanked with built-in cabinets and shelving, flows seamlessly into the kitchen and dining area. The eat-in kitchen is well-appointed with an oversized island, stainless steel appliances, double ovens, a 36-inch gas cooktop, and built-in microwave. Designed for entertaining, the dining room features a built-in wine cabinet, wine refrigerator, and glass-front display cabinetry for glassware. A dedicated office with French doors, built-in bookcase, and storage closet offers a private and functional workspace. The spacious primary suite overlooks the backyard and offers room for a sitting area. The spa-like primary bath includes separate vanities with quartzite countertops, a soaking tub, separate shower, and a large walk-in closet. The laundry room is equipped with built-in cabinetry, quartz counters, a sink, and hanging racks for added convenience.
