DESCRIPTION

Welcome to 11556 Palm Springs Lane — a 5-bedroom, 4.5-bath semi-custom Drees home, 4,512 sqft, built in 2013 for its original owner on a rare .3-acre rectangular lot in Stonelake Estates. Zoned to top-rated Frisco ISD: Ashley Elementary, Nelson Middle, Independence High. Soaring ceilings, rich hardwood floors, and the scale of a true Drees build set the tone. The chef's kitchen features granite counters, a large center island, stainless appliances, and rich cabinetry. A whole-home hot water circulation system delivers instant hot water to every tap — a true luxury upgrade. A private downstairs primary suite, a rare downstairs guest suite with private bath, and a dedicated executive study make this layout stand apart. Upstairs offers generously sized secondary bedrooms, a game room, and a media room. The expansive .3-acre backyard is a private retreat — mature shade trees, established garden beds, and a luxurious feel you won't find on the smaller interior lots typical of the neighborhood. Stonelake Estates offers a large city park, community pools, and miles of walking trails right in the neighborhood. Just minutes to Kroger, H-E-B, and Trader Joe's, with quick access to the Dallas North Tollway, 121, The Star, and Stonebriar Centre. A Drees semi-custom, original-owner home on a premium lot.
