DESCRIPTION

Welcome to 503 Indian Paintbrush, a Toll Brothers Southlake classic in Southlake Woods, freshly painted and thoughtfully remodeled in 2023 with a neutral palette and cohesive, low-maintenance flooring that carries through the main living areas. The kitchen was modernized with refreshed cabinetry, durable quartz counters, updated fixtures and hardware, improved task lighting, premium Wolf appliances, and generous prep and storage, opening to casual dining and a bright family room for easy everyday flow. Bathrooms feature clean finishes and contemporary fixtures for a polished, spa-inspired feel, and the private primary retreat is complemented by well-sized secondary rooms and flexible spaces for work or guests. Outdoor living shines with a sparkling pool, pergola, and a new board-on-board privacy fence framing a usable yard with mature landscaping, ideal for relaxed weekends and effortless entertaining. Additional 2023 touches include interior paint, lighting upgrades, and selective trim and door hardware for a cohesive finish, and the AC units were replaced a couple of years ago, creating a truly move-in-ready experience in a quiet Southlake location minutes from Town Square, parks, and commuter routes 114 and 121.
