DESCRIPTION

Priced to sell! This beautifully maintained home sits on 1.36 acres within the prestigious, gated, and guarded Bella Flora community. This home is over 4000 square feet, all on one level. Filled with natural light, the expansive open-concept layout creates a warm and inviting atmosphere. The kitchen features a spacious eat-in island, farmhouse sink, striking herringbone tile backsplash, stainless steel appliances, and a dining area perfect for gatherings. Custom ceiling details and hand-scraped wood flooring add exceptional character throughout the home. The luxurious primary suite is thoughtfully separated from the guest bedrooms and bathrooms, offering a private retreat. The dedicated office is truly a standout space. Outdoors, enjoy year-round entertaining under the large covered patio complete with a built-in grill and fireplace, while the pergola provides even more space to relax and host. The property backs to a serene greenbelt, enhancing both privacy and views. Solar Panels are paid for and can be removed. Avg monthly electric bill less than two hundred dollars.
