DESCRIPTION

Discover refined craftsmanship and thoughtful design in this stunning custom-built residence by Jeff Pfeifer Custom Builder, set on a generous lot that invites both everyday enjoyment and memorable entertaining. Step outside to your private resort-style retreat, where a spacious covered patio flows seamlessly into an extended entertaining area. A beautifully crafted pergola shelters a high-end spa loaded with premium features—the perfect setting for relaxing evenings. Inside, an open and airy floorplan welcomes you with dramatic vaulted ceilings accented by beams, a fully finished focal fireplace, and walls of windows that bathe the living space in natural light. The gourmet kitchen is a true chef's dream: custom tri-level cabinetry with pull-out drawers, expansive quartz countertops, an oversized island, Bosch appliances, and a spacious walk-in pantry. A dedicated office is tucked just off the entry, while a flexible bonus space offers the ideal spot for a second office, home gym, or hobby room. A private media room on the main level is perfect for movie nights. The secluded primary suite sits at the rear of the home with serene views of the outdoor living area, and the spa-inspired primary bath delivers dual vanities, split sinks, and an oversized shower. For ultimate convenience, the primary closet connects directly to the laundry room. Upstairs, a large game room with a dry bar sets the stage for fun, surrounded by three generously sized bedrooms—each with its own walk-in closet. Rich in elegance with a neutral palette and quality touches throughout, the home is completed by an oversized 3-car garage with epoxy floors and a bonus 11' x 17' workshop with sink—a true craftsman's delight. Every detail has been considered. Come experience the quality and character. You will enjoy the La Cima homeowner amenities and landscaped inviting neighborhood.
